

Before You Knock Cards

A few quiet minutes of preparation, on a card that fits in a pocket or a Bible cover.

Before you knock

A visit at their door. Includes a line for finding the door again.

Before you call or write

A call, a letter or a message. Includes a line for how to reach them.

Before you meet

An arranged place. Includes a line for where and when you agreed to meet.

USING THE CARDS

- 1 Before you go, read back what you wrote last time.
- 2 Fill a card: who, what you talked about, what you promised.
- 3 Choose an opening thought, a scripture to share and one question to leave with them.
- 4 Afterwards, note what is new on a Pocket Return Page, or in Return.

PRINTING

- US Letter paper, printed at 100% (actual size). Do not scale to fit.
- Four cards per sheet, each 95 × 130 mm. Cut along the marks.
- Card stock between 160 and 250 gsm holds up well in a bag.
- Pages 2 to 4 hold one kind of card each. Print only the ones you need.

A companion to **Return** for iPhone, iPad and Apple Watch, which shows the same three preparations before a visit, a call or message, or a meeting. The app is not needed to use these cards.
