

The last thing that made me laugh out loud was...

● Ordinary-Day Starters

A word I always say wrong, or used to, is...

● Ordinary-Day Starters

The strangest thing in my kitchen right now is...

● Ordinary-Day Starters

If this week were a sitcom, the episode would be called...

● Ordinary-Day Starters

The most ridiculous thing I believed as a child was...

● Ordinary-Day Starters

An animal I'd trust to run my errands is... and here's why.

● Ordinary-Day Starters

A song I know every word to, and slightly wish I didn't, is...

● Ordinary-Day Starters

The silliest thing I've bought that I still love is...

● Ordinary-Day Starters

A small disaster that's funny now is...

● Ordinary-Day Starters

Something I noticed on the way here was...

● Ordinary-Day Starters

The best light I saw this week was...

● Ordinary-Day Starters

A sound I keep hearing lately is...

● Ordinary-Day Starters

Something growing near where I live is...

● Ordinary-Day Starters

A small kindness I saw a stranger do was...

● Ordinary-Day Starters

A smell that stopped me for a second was...

● Ordinary-Day Starters

Something I pass every day and finally looked at properly is...

● Ordinary-Day Starters

The weather lately makes me want to...

● Ordinary-Day Starters

Something that has quietly changed around here is...

A meal I still think about is...

● Ordinary-Day Starters

A place I loved when I was small was...

● Ordinary-Day Starters

Something someone taught me that I still use is...

● Ordinary-Day Starters

A song that takes me straight back somewhere is...

● Ordinary-Day Starters

Something I remember about the first time we met is...

● Ordinary-Day Starters

A smell that reminds me of someone is...

● Ordinary-Day Starters

An ordinary day I'd happily live again is...
